

## **Nelson School Song**

*written by Ila May Chapman*

Nelson School is the greatest place to be  
We learn a lot of things on that we all agree  
And Nelson School is also lots of fun  
Tons of work is done

Here we learn respect for peers and playing fair  
At Nelson School we know the staff about us cares  
We work hard and we try our best each day  
That's the Nelson way

At Nelson we stand tall  
No matter big or small  
We give our friends in need a helping hand  
We are proud to be  
The Nelson Family  
Nelson is the best school in the land

And ..... we are proud that Nelson is our very own  
No here need ever fear or feel alone  
We try to get along with everyone,  
Nelson is such fun,  
Nelson's the best one,  
Better there is none!

**We're Great!**
